

Dear Parents,

Finding the right school for your family is an important responsibility. As a parent in Fairfax County, you have many options for your child(ren)'s education. At St. Bernadette School, we believe that there is no better place for our children to grow and learn. I hope that you will consider enrolling your child(ren) in our School!

At St. Bernadette, we have a long tradition of strong academic Catholic education. We recognize the lasting impact we can have on our students, and strive to make every day count. As a Catholic school, we have a two-fold mission – strong academics and faith formation. Our academic program provides support for children with academic challenges and challenges for students who excel in their studies. We do our best to meet children where they are, and provide support for their families as the primary educators of their children.

Catholic schools emphasize the value of a well-rounded education. We support our students as they grow in all areas. As you can see from our mission statement below, our goals reach beyond strong academics:

The community of Saint Bernadette Catholic School and Parish works together to form hearts and minds in Christ.

By fostering a love for lifelong learning, we develop the whole child through faith formation, service to others, and academic excellence to be leaders in our ever-changing world.

Being part of a Catholic community, children learn how to communicate with each other and to resolve their differences. The world can be a challenging place to live, so we need to provide them with the proper tools to not only survive, but to thrive! We hope you will entrust them to our care as we work together for their well-being.

Blessings,

Barbara S. Dalmut
